Petition to Reset a Period for Reply Due to Late
Receipt of a Patent and Trademark Office Action

Sir:

Applicant hereby Petitions the Patent and Trademark Office to restart the previously set period for reply to a Patent and Trademark Office Action to run from the postmark date shown on the Patent and Trademark Office mailing envelope.

The Action is a Restriction Requirement dated June 28, 2005. Applicant is attaching hereto a copy of the Patent and Trademark Office envelope in which the Office Action was received. As may be seen from the top thereof, the envelope indicates a date of mailing of July 24, 2005 at 18:39.

The Office Action was received in the office of Eric Fincham on July 25, 2005. Accordingly, it is believed that as the Restriction Requirement carried a one month reply period and this Petition has been filed within two weeks of the date of receipt of the Office Action, that a resetting of the time period for reply would be equitable.

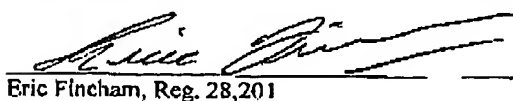

Respectfully,

Eric Fincham
